Government funding is provided for settings to offer a basic provision of the EYFS which meets the statutory requirements, su ch as small world figures, role play materials, puzzles, books, basic craft supplies, sand and water play, loose parts, construction toys and a staffing level that meets minimum government ratios
We strongly believe that early year's education should be rich, engaging, and full of real-world experiences. To go beyond the basics and provide the quality of care and learning we are proud of, we offer an enhanced provision—which costs more to deliver than government funding provides.
These optional charges will support us to provide the highest quality of care and experiences for your children. These include staff ratios above the legal requirement, Zebedees 2 course lunch, snacks, facial tissues, spare personal hygiene equipment, sun cream, extra staff to support walks/outings, special events and parties, extra-curricular activities and additional high-quality resources such as sensory equipment, gardening tools, woodwork tools, baking supplies, specialist educational sessions, such as 'Tizzy Time' groups and nappies and formula in our baby room.

**** Please note that we are open for 50 weeks of the year and that your funded entitlement will be stretched accordingly and spre ad over your monthly invoices at our chargeable rate. Please speak to a manager for clarification, if required.***
****If you are unable to pay our extra charges, please speak to the management team***
